## President's Message

*I appreciate the misunderstanding I have had with Nature over my perennial border. I think it is a flower garden; she thinks it is a meadow lacking grass, and tries to correct the error.*

*~Sara Stein, My Weeds, 1988*

Are you enjoying your garden? After being gone to San Diego for a week, it was delightful to come home and see the plants in their new stages. The rain helped my husband keep up with the watering, so all is well. Most of my veggies are in the ground and the starts that are in the greenhouse are being stuck here and there.

I enjoyed having those of you who were here after our last meeting. The weather was finally cooperative.

We are fast approaching the end of our garden club year. Our next meeting is Monday, May 18, due to Memorial Day being on the fourth Monday this month. After that is our June installation luncheon and we are through until next September. I look forward to handing the gavel to Claire and taking a back seat for awhile.

Remember that our speaker this month is our own Fran White who will be sharing a PowerPoint presentation of her visit "Down Under" and the plants that grow there.

See you next Monday!

- Peggy Beltramo

### **Installation Luncheon**

I just realized the signup for the installation luncheon wasn't out at the April meeting.....  
sorry about that. We will need all of the signups in this month.

The installation luncheon will be on Monday, June 8, 11:30 a.m. at Bethlehem Lutheran Church.  
If you plan to attend, please send a check in the amount of \$12.50 to Carol Lee Murray at 1415 Calle Las Casas, Roseville, CA 95747. You can also sign up and bring your money to the May meeting. The cutoff date for signup will be Monday, June 1st.

Thank you.

- Marti Magenheimer

### **75 Year Anniversary**

In addition to the installation next month, we will also celebrate Auburn Garden Club's 75 year anniversary. Please make an extra effort to join us at the meeting on June 8, 11:30 a.m.

### **Going Green!**

In an effort to help eliminate paper and save a few more trees, we could all participate by receiving this newsletter by email. If you have email and I don't have your current address, please send it to me at tchosull@inreach.com. By receiving the letter by email, we will also contribute to helping the economy by saving postage! If you are receiving this by email, please keep me posted if you change your address.

Thank you.

- Karen Sullivan

**May Speaker**

Fran White, an AGC member will share a PowerPoint presentation of her visit "Down Under", and the plants that grow there.
