Meet at the church by 10:30 or at the Nursery, 3750 Taylor Road, Loomis by 11:00. We will be given a tour of this unique nursery. We will also visit the historic old packing sheds which are now home to hundreds of pots and garden art.

### **March: Wednesday, March 18:**

San Francisco Flower and Garden Show, San Mateo, CA

I will post the exact date for this trip when I have it. This day-long bus trip is planned annually by Donner Garden Club of Auburn. Everyone is invited to help fill the two buses which leave from Auburn. A stop is made in Roseville for those leaving from that area. The charge of \$50.00 covers the cost of the bus and your entry to the show.

For more information on this trip call Rena Webb, 530-885-8230.
